

HUMANE SOCIETY INTERNATIONAL

CANADA

LETTER OF INVITATION

Dear Pet Store Owner,

This letter is presented to you by:

Name: _____

Email or Phone number: _____

I am a resident of your local community who is concerned about puppy mills. As part of Puppy Mill Action Week I, along with the Humane Society International/Canada, ask that you to sign the **Puppy Friendly Pet Stores** pledge.

Pet stores that sign the Puppy Friendly Pet Stores Pledge agree to discontinue selling puppies or to “make official” a practice of already not selling puppies in their store.

WHY SIGN?

Recent public awareness about puppy mills, combined with tough economic times, have made puppy sales less profitable for stores nationwide. Puppies are often spending months in small pet store cages, causing customers concern and leading to a problem selling older puppies who are rapidly outgrowing their cages. Meanwhile, across the nation, millions of dogs and cats are euthanized each year for lack of homes. Your store can be part of a humane change in your community, while garnering free publicity for your store, attracting new humane-minded shoppers, and increasing consumer loyalty.

PUPPY FRIENDLY PET STORES:

- Do not sell puppies, but might use the space in their store to showcase pets for adoption from local shelters or nonprofit rescue groups.
- Say goodbye to the cost, inconvenience and expense of providing seven-day-a-week care for young puppies in a retail environment.

HOW WILL MY STORE BENEFIT FROM THIS PROGRAM?

- When you sign and return the pledge, your store's name, address and website will be listed on the HSI Canada website, which is visited by thousands of pet lovers.
- HSI Canada will provide a free eye-catching sign to hang in your store to promote your humane choice.
- All stores that sign the pledge will receive a welcome packet which includes free materials for your customers to help them find puppies from humane sources.
- Stores that cease selling puppies entirely will receive publicity in the form of official HSI Canada press releases distributed to their local media outlets to applaud their humane change and bring new customers to the store.
- Your store can be seen as a hero in your community by pledging to work with shelters to increase their adoption programs. Stores that indicate a participation in adoption programs will be highlighted on the website. The website will encourage pet lovers to contact your store for information on adoption events.
- HSI Canada will conduct an outreach and awareness campaign to lead pet lovers to shop at stores from our list of Puppy Friendly Stores.

HOW DOES MY STORE SIGN UP?

Please sign the attached pledge and mail it to the address below to receive your free pledge participation/welcome packet. There is absolutely no cost to you for joining, and thousands of pet lovers will be made aware of your humane decision. Thank you.

CAN A STORE SIGN UP IF THEY SELL PUPPIES FROM LOCAL BREEDERS?

Due to the impossibility of screening all breeders, the program is open only to stores that *do not sell puppies*.
